PURPOSE OF THE BILL

The purpose of H.R. 1691, as ordered reported, is to provide for the transfer of certain public land currently administered by the Bureau of Land Management to the administrative jurisdiction of the Secretary of the Navy for inclusion in the Chocolate Mountain Aerial Gunnery Range, California.

BACKGROUND AND NEED FOR LEGISLATION

H.R. 1691 directs the Secretary of the Interior to transfer approximately 226,711 acres of Bureau of Land Management land in Imperial and Riverside Counties, California, to the Secretary of the Navy for the Chocolate Mountain Ariel Gunnery Range (CMAGR). The bill also requires the realignment of the CMAGR boundary to exclude a current overlap with the Bradshaw Trail and retain desert tortoise critical habitat.

Enacted in 1994, the California Desert Protection Act (CDPA) included the California Military Lands Withdrawal and Overflights Act of 1994. CMAGR is one of several areas withdrawn for military use under the CDPA and scheduled to expire on October 31, 2014. CMAGR is a live-fire training range that is used for developing and maintaining the readiness of Marine Corps and Navy aviators. The range is also used for training select Marine Corps and Navy land combat forces, including Naval Special Warfare forces. H.R. 1691 will permanently transfer the approximately 226,711 acres for the Navy's continued need for the critical national security benefits of the CMAGR.

COMMITTEE ACTION

H.R. 1691 was introduced on April 23, 2013, by Congressman Juan Vargas (D-CA). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on Public Lands and Environmental Regulation. The bill was also referred to the Committee on Armed Services. On April 26, 2013, the Subcommittee on Public Lands and Environmental Regulation held a hearing on the bill. On May 15, 2013, the Full Natural Resources Committee met to consider the bill. The Subcommittee on Public Lands and Environmental Regulation was discharged by unanimous consent. Congressman Rob Bishop (R-UT) offered an amendment designated #1 to the bill; the amendment was adopted by unanimous consent. No further amendments were offered, and the bill, as amended, was then adopted and ordered favorably reported to the House of Representatives by unanimous consent.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(1) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(2)(B) of that Rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Com-

mittee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

H.R. 1691—Chocolate Mountain Aerial Gunnery Range Transfer Act of 2013

H.R. 1691 would require the Secretary of the Interior to transfer administrative jurisdiction over 227,000 acres of land to the Secretary of the Navy. Those lands would be used by the Navy as a gunnery range. Based on information provided by the Bureau of Land Management, CBO estimates that implementing the legislation would have no significant impact on the federal budget. Enacting H.R. 1691 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

Under current law, the affected lands are temporarily withdrawn for military use. H.R. 1691 would prohibit certain new activities that could generate receipts on the affected lands in the future; however, because CBO expects that those lands would not generate any new receipts over the next 10 years, we estimate that enacting the bill would not affect direct spending. In addition, because those lands are already managed by the federal government, we estimate that implementing the legislation would not affect the costs of managing the lands. Finally, CBO estimates that any additional costs to prepare the legal description of the affected lands, as required under the bill, would total less than \$10,000.

H.R. 1691 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Jeff LaFave. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.

2. Section 308(a) of Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures. Based on information provided by the Bureau of Land Management, CBO estimates that implementing the legislation would have no significant impact on the federal budget.

3. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill, as ordered reported, is to provide for the transfer of certain public land currently administered by the Bureau of Land Management to the administrative jurisdiction of the Secretary of the Navy for inclusion in the Chocolate Mountain Aerial Gunnery Range, California.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

COMPLIANCE WITH PUBLIC LAW 104–4

This bill contains no unfunded mandates.

COMPLIANCE WITH H. RES. 5

Directed Rule Making. The Chairman does not believe that this bill directs any executive branch official to conduct any specific rule-making proceedings.

Duplication of Existing Programs. This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program. Such program was not included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139 or identified in the most recent Catalog of Federal Domestic Assistance published pursuant to the Federal Program Information Act (Public Law 95–220, as amended by Public Law 98–169) as relating to other programs.

PREEMPTION OF STATE, LOCAL OR TRIBAL LAW

This bill is not intended to preempt any State, local or tribal law.

CHANGES IN EXISTING LAW

If enacted, this bill would make no changes in existing law.

Dear Mr. Chairman:

On May 15, 2013, the Committee on Natural Resources ordered reported a slate of bills that were ultimately included as part of H.R. 1960, the National Defense Authorization Act for Fiscal Year 2014. These bills were referred primarily to the Committee on Natural Resources, with an additional referral to the Committee on Armed Services.

Specifically, these bills are H.R. 910, Sikes Act Reauthorization Act of 2013; H.R. 1299, White Sands Missile Range Security Enhancement Act; H.R. 1672, Limestone Hills Training Area Withdrawal Act; H.R. 1673, To provide for the transfer of certain public land currently administered by the Bureau of Land Management to the administrative jurisdiction of the Secretary of the Navy for inclusion in Naval Air Weapons Station China Lake, California; H.R. 1676, Johnson Valley National Off-Highway Vehicle Recreation Area Establishment Act; and H.R. 1691, Chocolate Mountain Aerial Gunnery Range Transfer Act of 2013.

I ask that you allow the Armed Services Committee to be discharged from further consideration of the bills in order for bill reports to be filed. These discharges in no way affect your jurisdiction over the subject matter of the bills, and it will not serve as precedent for future referrals. In addition, should a conference on any of the bills be necessary, I would support your request to have the Committee on Armed Services represented on the conference committee. Finally, I would be pleased to include this letter and any response in the bill reports filed by the Committee on Natural Resources to memorialize our understanding.

Thank you for your consideration of my request.

Sincerely,

 Doc Hastings

Chairman Doc Hastings
House Committee on Natural Resources
1324 Longworth House Office Building
Washington, D.C. 20515

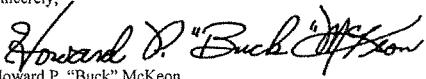

Dear Chairman Hastings:

Thank you for your letter regarding six bills that were referred primarily to the Committee on Natural Resources, with an additional referral to the Committee on Armed Services, and included as part of H.R. 160, the National Defense Authorization Act for Fiscal Year 2014. This includes H.R. 910, Sikes Act Reauthorization Act of 2013; H.R. 1299, White Sands Missile Range Security Enhancement Act; H.R. 1672, Limestone Hills Training Area Withdrawal Act; H.R. 1673, To provide for the transfer of certain public land currently administered by the Bureau of Land Management to the administrative jurisdiction of the Secretary of the Navy for inclusion in Naval Air Weapons Station China Lake, California; H.R. 1676, Johnson Valley National Off-Highway Vehicle Recreation Area Establishment Act; and H.R. 1691, Chocolate Mountain Aerial Gunnery Range Transfer Act of 2013.

Our committee recognizes the importance of these bills, and the need for the legislation to move expeditiously. Therefore, while we have a valid claim to jurisdiction over these pieces of legislation, I do not intend to request sequential referrals. By waiving consideration of the bills, the Committee on Armed Services does not waive any future jurisdictional claim over the subject matters contained in the bills which fall within its Rule X jurisdiction. Further, should a conference on any of the aforementioned bills be necessary, I request that the Committee on Armed Services be represented during any conference negotiations.

Thank you for your attention to these matters.

Sincerely,

 Howard P. "Buck" McKeon
 Chairman
